Captain's Column

Hi everyone and welcome to today's clash with the Collingwood Magpies at Brisbane's Nissan arena, which will be our home for the next few weeks.

We've been settling in well to hub life in Queensland and while we're missing our support networks and the amazing fans back in Sydney, everyone has been pulling together to make the 2020 Suncorp Super Netball season work.

We've had some special milestones since we last chatted, most notably Paige Hadley's 100th cap and Sam Wallace's 50th, and we also got back to winning ways against the Firebirds after a disappointing outing against the Sunshine Coast Lightning.

The games have been coming thick and fast – which is a huge challenge for players, coaches and staff – but I think you'll agree we've had some thrilling netball along the way.

Today we're facing a very dangerous Magpies team who are looking to kick-start their campaign. The last time we met was down in Tasmania and they did a number on us, so we have to make sure we're firing.

With players like Geva Mentor, the Browne sisters and some of the best new talent in the competition nothing less than a full 60-minute performance will suffice to get us over the line.

Before signing off I would like to give a special shoutout to our 3,500 members who signed on this year – it is amazing to think that this number has been achieved in the middle of a global pandemic.

We play with pride and enjoyment and for you most of all. Together We Can.
Go NSW Swifts!

Round 5 Recap

The NSW Swifts have returned to winning ways after defeating the Queensland Firebirds at Brisbane’s Nissan Arena on Tuesday night.

“That was a far better performance tonight and a real NSW versus Queensland battle,” Head Coach Briony Akle said afterwards. “I am really glad to see Helen put in a performance like that after having a tough time against the Lightning at the weekend. “She is a world class player and the fire and drive she brings to that attack end was vital.”

The opening quarter was a very scrappy affair with both teams finding it hard to get into a rhythm. The defences were creating plenty of turnover possession for their respective attacks but converting was proving difficult.

The game came to life in the opening Rebel Power Five when Firebirds goal attack Tippah Dwan landed the first Suncorp Super Shot of the night, but Housby responded with a quick double of her own and at quarter time the scores were tied at 16 goals apiece.

The Swifts were far more in sync in the second period and good pressure in the midcourt and defence was rewarded under the post.

The Firebirds were still making the Premiers work for everything, but loose passing when they were in

attack wasn’t helping their cause as the Swifts took the quarter 18-10.

Turnovers from three of the Swifts’ opening centre passes of the second half quickly had the Firebirds back within one goal.

With five minutes to go to the last break all of the momentum was Queensland’s but good scrambling from Lauren Moore and Sarah Klau gave the Swifts an edge and Housby was on hand with a pair of Super Shots to keep the Premiers ahead by six.

A Klau intercept on the Firebirds’ next centre pass was a good settler for the Premiers who moved Paige Hadley to wing attack and Tayla Fraser to centre. The Firebirds did keep the scoreboard ticking over but weren’t making inroads to the Swifts’ lead.

With Dwan looking in good touch from range the Swifts looked to play the clock down in the final quarter to give their opponents little chance of reeling them in with Super Shots. A late flurry from replacement goal attack Ine-Mari Venter got Queensland closer but the Swifts were already too far ahead.

In the end, the defending Premiers had too much for their long-time rivals, running out 64-57 winners to make it four wins from five games. Helen Housby received the game’s MVP.

Wallace: Gentle soul and heart of steel

There are almost 16,000 kilometres between Sydney and the place that Sam Wallace calls home.

Trinidad & Tobago, a beautiful island nation in the Caribbean famous for its sprinters and cricketers, was where Wallace first fell in the love with the game that's allowed her to travel the world.

It was at the 2015 Netball World Cup when she first caught the eye of then Swifts Coach Rob Wright. Anita Keelan, current Assistant Coach of the Swifts, was also part of Wright's team and was equally impressed.

When the ANZ Championship was replaced by Suncorp Super Netball in 2017 there was one name the Swifts simply had to have for the revamped national league.

"I told our high-performance manager at the

time that we must get her, do everything to get her," Keelan recalls.

Wallace signed. A raw talent with the potential to be one of the best in the world, she landed in Sydney and didn't know a soul.

She'd been away from home before, playing Super League netball in England and on scholarship in the United States, but this was a new country and the toughest league in the world was looming large.

There were times when she felt like a real fish out of water. There were tears, long conversations with family back in Trinidad & Tobago, and a lot of lessons learnt.

But, with time, she found her feet. Her first game for the Swifts was a narrow loss to the Giants but it was clear that Wallace had what it took to be successful at the highest level.

**A RAW TALENT WITH THE
POTENTIAL TO BE ONE OF
THE BEST IN THE WORLD,
SHE LANDED IN SYDNEY AND
DIDN'T KNOW A SOUL.**

Teammates soon became close friends, almost sisters in many cases. She moved in with Helen Housby, another international, and when Natalie Haythornthwaite joined the club Wallace had her very own home away from home.

She also excelled on court. Back-to-back MVP club awards and a career-defining performance in the 2019 Suncorp Super Netball Grand Final showed that Head Coach Briony Akle's words were ringing true.

"We said to Sam last year that you can be the world's best and I don't think she is far off that," Akle added.

"To see the growth in Sam over the past few years and to have 50 SSN games under her belt makes me so happy as a coach. Winning MVP in last year's Grand Final can be just the start of great days for her in a Swifts uniform.

"She has gone through so many highs and lows in her time at the club, and losing her father last year was a massive blow – but she has shown she's not just a force on court.

"She has a beautiful and steely mind to match her physical attributes, and we are very proud of her.

"Be better, that's all I ask of my team every day and Sam is one of the people who really embraces that."

Fifty games in, the girl from the Caribbean is only warming up. ●

Swifts Shoutout

SHOUTOUT TO ELIZABETH SUBMITTED BY MICHELLE WILLIAMSON

"I'd like a Swifts Shoutout for my daughter Elizabeth! She loves her Swifts and has been a member for over 3 years. She attends Swiftmas, Fan Events, the Grand Final Welcome Home Party and even won best dressed at the fan base Grand Final event last year. Her room is decorated in Swifts posters! Her wardrobe is filled with Swifts tops, singlets, jackets, scarves, beanies, hats and hair ribbons. Her book case is filled with all the Match Programs from every Swifts game she's attended as well as a copy or two of 'Grace On the Court'. And at her birthday party last year even she even had a Swifts cake filled with red, blue and white lollies! She's missing attending the games this year but is cheering on the girls from afar! From Mum"

Swifts reach new club milestone of 3,500 Members

The NSW Swifts are delighted to announce that the club has reached a new milestone of 3,500 Members.

2020 has been a year like no other. We've faced a number of challenges to navigate through the many changes to the SSN season due to Covid-19, however what's remained the same has been the continuous support and commitment of our Swifts Members.

In our 2019 Premiership winning season, the club broke the all-time membership record with 3,070 members. Heading into the 2020 season as the defending Premiers and with more fans behind us than ever before, we beat the record again almost four months out from the start of the season.

The postponement of the 2020 season was one of many bumps on the road, but no one thought that we would actually be on the road to play home games in Queensland.

Our members have supported us at every step of this journey because that's what it means to be a part of our Swifts Family and we couldn't be more proud. Over the last few months, we've also had many Swifts fans make the commitment as a member for the first time even though we're yet to play in Sydney.

The support of our Swifts family when we need it most is what makes this milestone so special. You may have seen on social media that we've taken our 2020 Member Wall with us to QLD, because even though we can't play in front of you, we're here to play for you.

On behalf of everyone at the club, we thank you for your commitment to the NSW Swifts.
