Inspired by *History*. Driven by *Legacy*

The NSW Swifts are proud to be NSW's most celebrated and decorated female sports club and pioneers of Women in Sport for three decades.

From trailblazing legends Liz Ellis AO and Catherine Cox AM, to modern-day superstars Maddy Proud and Helen Housby, the Swifts have been home to many of the greatest athletes ever to grace a netball court.

Driven by the Club's mantra, **Inspired By History, Driven By Legacy**, the Swifts have claimed seven National League Premierships across all eras and in 2026 we are ready to climb the mountain once more in pursuit of Premiership No 8.

Following a record-breaking 2025 season with historic Membership numbers, sold-out crowds at Ken Rosewall Arena and another thrilling Finals campaign, the Swifts continue to be a measure of excellence as Suncorp Super Netball cements its place as Australia's No.1 Women's Sports League.

In 2026, we celebrate a remarkable 30-Year Anniversary and we'd love you to be part of it. With a star-studded line-up of world-class players, unmatched passion, and unforgettable moments, there will be no bigger show in Australian sport.

Join us for another iconic season. The legacy continues.
